

Please join State Treasurer Janet Cowell and other members of the State Health Plan in a discussion on how your health plan can better serve the health and wellness needs of you and your family.

As you may know, the State Health Plan will become a division of the Department of State Treasurer effective January 1, 2012. Treasurer Cowell will be traveling across the state to host *The State Healthcare Listening Tour* series. These tours will allow members of the health plan an opportunity to provide their feedback to the Treasurer as she develops a framework for future operations and communication of the State Health Plan.
