aware

13. Highlights of significant events in your local units/district related to Programmatic Thrusts/Goals. 14. *State* Executive Board actions sought *by the District governing board* (automatic motions for the next *state* Executive Board meeting). **State your request(s) in the form of a motion.** Give rationale for the motion. Use additional pages if necessary.
None at this time.
15. Other comments or concerns to be discussed at the next *state* Executive Board meeting (**not** automatic motions).
State or district needs to offer workshops, etc., spaced throughout the year for officers and committees to keep in closer touch. This would help to grow our leaders for better service.
Begin lobbying for our dues to be deducted. We may need to think about our needs and how much we have in common with NCAE. Maybe we should be a stand alone organization. Just something to discuss!
