NEA-R Election Results

Thank you everyone who voted in the NEA-R Delegate election. The list of delegates and alternates can be found by [clicking here](#). The NEA-R Annual Meeting is June 30-July 1 in Houston, Texas.

There have been several inquiries about the participation level of this year's election as compared with last year's election. Unfortunately, an even comparison cannot be done. Last year's records and tally [as well as past year's records] have information on the number of votes cast, not the number of voters. Please note moving forward we will track the number of voters as well as votes cast. If you have any questions, please do not hesitate to contact the Executive Director, Teresa Evans-Hunter.

Awards

Congratulations to all award winners. A list of awards and recipients can be [found here](#). Interested in composing a brag board or applying for a starlight award? Keep checking the website, updated award information will be available in September.

Memorials Correction

It has come to our attention that a valued member of NCRSP was incorrectly printed in the Memorials section of the recent Panorama. We extend a sincere apology for this oversight. Member Don Mayberry is a living member in the Brunswick County Retired School Personnel.

As a reminder when submitting names for the Memorials, please do your utmost to send an obituary and a member id to ensure the state office notes the correct member to be recognized.

To ensure you receive your copy, contact the state office at 800-662-7924 Ext.243 or send your current email address to: ncrsp@ncrsp.org

"Small Acts, when multiplied by millions of people, can transform the world", Howard Zinn.

Public Relations Fund

At their most recent meeting, the Executive Board voted to set up a public relations fund, supported by donations, to be used to promote the interests of NCRSP. An ad hoc committee will be set established to make recommendations on how to use the funds. Executive Board members made donations, at the state convention, totaling \$1,000.00.
