

Election 2020 – Selected Races and Candidates

For the selected races below, please find the major party (Democratic and Republican) candidates on the November 2020 ballot. NCRSP does NOT endorse candidates and encourages all of its members to be registered, educated, and active voters. We have provided the URL for each candidate’s campaign website, and you are encouraged to learn more about each candidate’s background, experience, and position on retiree issues before casting your vote.

Please note that the candidates’ names that are in **bold** type have been endorsed by NEA/NCAE. Those whose names are in *italics* are incumbents running for re-election to the same office.
